2011
USA CYCLING NATIONAL CHAMPIONSHIP

Where has time gone? The Mountain States Cup season's end is nearly upon us. COMotion Sports currently leads the way across the board for the 2011 season. COMotion Sports has been busy racking up podium performances at the USA Cycling Mountain Bike Nationals, Firecracker 50, Leadville 100, and at Mountain States Cup events. Ariana Ditmer and Katie Sodergren trekked out to Sun Valley, Idaho for the USA Cycling Mountain Bike National Championships. The course was challenging and the Nation's best mountain bikers all laid it on the line for the coveted Stars and Stripes jersey. Ariana battled it out on course and rode an excellent race. Fellow teammate Katie brought her A-game and came home with the Stars and Stripes. Katie is only the second COMotion Sports team member in history to wear the Stars and Stripes as national champion!

At the Firecracker 50, Holy Wade killed the Women's Single Speed category with a first place win in 5 hours and 31 minutes. COMotion Sports had three teammates compete in the Leadville 100 this year. Congratulations to Gary Peterson, Lynn McDade, and Will Lewis, all earned the coveted Leadville 100 belt buckle!!

To promote our sponsor PowerBar, COMotion Sports held a PowerBar promotion at the MSC #7 Keystone Classic. COMotion Sports educated spectators and racers about the benefits of PowerBar products, and how PowerBar gives you the power to give your best. We're proud of having PowerBar as our Sponsor. Thank you for your support and giving us the energy to win MSC Team Title #9!

The COMotion Sports team is made up of many talented and motivated bike riders. One of them is Evie Calhoun. Evie and her two friends Becky and Caley have embarked on an epic bike adventure across Colorado. The trio started in Denver and have logged over 600 miles in their tour of the Southwest quadrant of the state. Pulling 2 BOBs, the party is fully independent, but have enjoyed hospitality and help along the way. Evie reports racing is EASY compared to touring and considers this training for the Sol Vista finale. We're all wondering if Evie has more than one COMo kit, as she's been sporting the COMo kit every day!

COMotion Sports is holding their annual Sponsor Appreciation BBQ at MSC #9 Sol Survivor at the Sol Vista ski area on September 4th. MSC #9 is the last race of the season and the Mountain States Cup champions will be crowned.

2011 Mountain States Cup Race Schedule

Date	Race	Location	Disciplines
